

National NewsMaker

Monday to Sunday 24/7

National NewsMaker is a unique service; it is designed for stations who need the format convenience of compiling and presenting their own bulletins without the associated costs of directly sourcing the National and International content.

Broadcast Benefits

- News audio and text from all our metropolitan newsrooms
- Delivered via satellite and the on line management system
- News resources in all the major metropolitan markets
- Australia's largest commercial radio news network
- Commercial radio's largest Canberra bureau
- International correspondents
- Search functionality
- Text and audio can be delivered directly into your local news management software
- Associated audio grabs also available as a "save as" file download, or play directly from the website
- Satellite systems already installed and operational, no extra costs
- Option to purchase supplementary Nine News services at a reduced rate
- Technical support
