

Commsec Finance Report

THE PROGRAM

The Commsec report is a daily comment on the world of finance and business available each morning and afternoon.

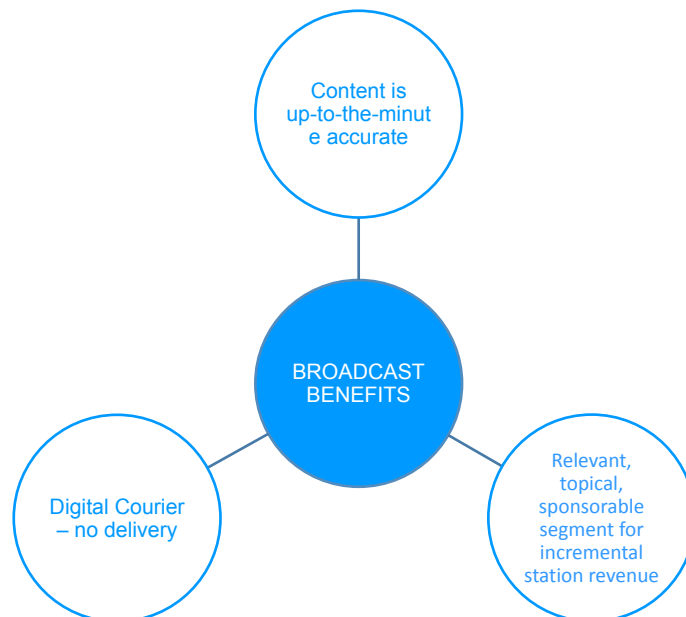

Commsec is Australia's most popular stockbroker, also Australia's leading voice in finance, supplying daily national news reports around the clock as well as international media such as CNN and CNBC.

When Australian investors want to know what is going on, chances are they'll hear it from Commsec.

Commsec delivers reports listeners can understand.
